

Who are Education for the 21st Century?

- A charitable Education Trust – all funding comes from Central Government based on student numbers.
- Established in 2011 when The Ravensbourne School became an Academy.
- Leadership within Education for the 21st Century built knowledge and capacity as a Multi-Academy trust for 3 years before deciding to grow. Scotts Park was the first school to be added to the Trust after The Ravensbourne School.
- We now have 4 schools:
 - The Ravensbourne School
 - Mottingham Primary School
 - Scotts Park Primary School
 - Eden Park High School

- A Board of Directors oversees the strategic leadership of the Trust and each school has its own Local Governing Body.
- We are responsible for the education of over 2000 students under one ethos/culture:

“To be the best you can be”
