

## Science Technician

36 hours per week, 40 weeks per year

Scale 3 Point 14-17

£18,657.00 - £19,374.00 (Actual Salary between £16,39.45 - £16,655.86)

The Ravensbourne School are looking to recruit a technician to work within their Science Department preferably with Biology Specialism. To resource and develop the education provision of the Science Department. You will be designing, preparing and facilitating practical 'hands on' learning which is a core ethos of the science department, be able to work with the team in developing and organising Science Practical's for Key stages 3-5 and general duties including stock taking, preparation of equipment for lessons, keeping maintenance records and reporting issues.

The ideal person will have the ability to manage and work independently, as part of an effective team, demonstrating commitment and enthusiasm; previous experience of working in a school would be beneficial.

Having Health and Safety experience and training and First aid training would be an advantage but full training will be given.

If you wish to be sent an application pack please contact Sarah Whitten [swhitten@e21c.co.uk](mailto:swhitten@e21c.co.uk)

Closing date: 1pm Sunday 16<sup>th</sup> September 2018

**Emailed applications to be sent to: [swhitten@e21c.co.uk](mailto:swhitten@e21c.co.uk)  
Posted applications to the address above.**

**Education for the 21<sup>st</sup> Century is committed to safeguarding and promoting the welfare of young people. The successful applicant will be subject to a check against List 99 and an enhanced Disclosure and Barring Service.**
