## Year 7 Transition Booklet 2020

EDEN PARK  
HIGH SCHOOL

Moving from primary to secondary school is an exciting time for your child. Eden Park High School is committed to ensuring a smooth and successful transition into secondary school life so that students understand our expectations, feel comfortable and are familiar with their new school.

In order for your child to gain the best possible secondary school experience it is important that they start as they mean to go on and your help as parents is vital.

We run a number of events throughout the transition period which are outlined in this booklet. You will also find in this booklet information on how best to support your child in key aspects of their school life. Should you have any questions about the transition process please do not hesitate to use the contact information at the back of this booklet to get in touch.

We look forward to working in partnership with you to support your child to become the best they can be.

## Preparing your children for their first day

A successful transition begins with your child being ready and prepared for their first day. The parental role is crucial in ensuring children have the correct equipment for school, understand the expectations of the school and are dressed appropriately. You will receive a number of policies from the school regarding expectations of behaviour, attendance, equipment and uniform. Below is a brief summary on some key areas to help you make sure your child is prepared and ready for their first day.

### Uniform Expectations

Students are expected to take pride in their appearance at all times. You can support your child by making sure they have everything they need for the first day. For the exact list of items that your child will need please visit our school website ([www.edenparkhigh.com](http://www.edenparkhigh.com)). Our school uniform can be purchased from two suppliers:

Bromley Schoolwear  
51 High Street  
Bromley  
Kent  
BR1 1LE  
0208 460 0032

<http://www.bromleyschoolwear.co.uk>    [info@bromleyschoolwear.co.uk](mailto:info@bromleyschoolwear.co.uk)

**OR** online at: [www.121uniforms.co.uk](http://www.121uniforms.co.uk)

With the online option (121uniforms), parents can pre-order/reserve EPH uniform with a £10 deposit, with the outstanding payment requested one-week prior to delivery. Parents can also opt to spread the uniform cost in 2 or 3 instalments with final payment on delivery.

### Equipment Requirements

As a school we will provide students with exercise books for every subject and any textbooks they will use in lessons. However, children must arrive to school every day with the following equipment:

Black or blue pen (and a spare!)	Pencil
Colouring pencils	Pencil eraser
Scientific calculator	Protractor
Ruler	Rough notebook
Pencil sharpener	A reading book
Green Pen	Glue stick

### Valuables

Every student is provided with a small phone locker in their form room which can be used to lock away any valuables such as money and keys. If a student brings a mobile phone with them to school, it must be locked away at the start of every day as students are not permitted to have mobile phones on them during the school day. This is to help make sure they are not distracted from their learning and is an important element of the school's e-safety policy.

### Tips for Parents

Frequently engage with your child to discuss what they are doing at school.

Attend arranged school events including parent's evenings, concerts and year 7 welcome evening.

Encourage your child to participate in school concerts, clubs and events.

Make sure you communicate with the school regularly. Your child's form tutor will be first point of contact for any non-academic queries or concerns, whilst subject queries or concerns should be addressed to the specific subject/class teacher. You will be receiving a contact list of your child's pastoral and academic team for your reference.

Make sure your child is at school on time every day.

Make sure you call the school absence line on 0203 948 3864 or email

[absence@edenparkhigh.info](mailto:absence@edenparkhigh.info) in the morning if your child is not coming to school because they are unwell.

# Transition Events

To support your child's transition to Eden Park High School we *hope* to be running the following events. Considering the current situation, all dates are **subject to change**. Below is a list of our *intentions*. **We are following the government guidelines and will update and confirm all plans accordingly.**

## Baseline Assessments

Pre-assessments help the school establish your child's strengths and areas for development. The results of these assessments are used in conjunction with the SAT data to make sure the teaching for your child is appropriately challenging. **Our aim** is to hold these during the dates: 17<sup>th</sup> August – 28<sup>th</sup> August, from 9:00am – 12.30pm. Your child must bring a set of headphones and a reading book in with them. Students must also bring with them a packed lunch or £1.50 to purchase a snack during their break. Students should be dressed in their Primary School uniform.

## Induction Day

We understand how important it is for your child to experience a working day in our secondary school. Therefore, we hope to arrange this for some time during the dates: 17<sup>th</sup> August – 28<sup>th</sup> August. This will be an invaluable opportunity for your child to experience secondary school style lessons. On this day, your child should bring with them a pencil case with a pen. Your child should also bring either £2 to buy lunch or bring a packed lunch for the day. Students should be dressed in their Primary school uniform for the day.

## Primary School Visits

Unfortunately, under the current situation, staff from Eden Park High School will not be able to visit your child's Primary school to meet with their teachers and speak to your child. However, we do intend to uphold regular communication with both you and the primary schools. We have already contacted every primary school to request key information that will prove invaluable to us - giving your child the best support possible.

## Team Meetings

If you have any concerns which you think might affect your child settling in to secondary school, then please email your child's head of year, Miss. O'Donoghue ([FODonoghue@eph.e21c.co.uk](mailto:FODonoghue@eph.e21c.co.uk)) to discuss how best we can support your child.

## Saturday Fun Day

This will need to be reviewed – in line with government guidance on mass gatherings and will be managed according to what is allowed.

## Year 7 Welcome Evening

All parents are invited into the school once your child has started at Eden Park High School. At this event you will have the opportunity to see your child's form tutor and speak with other parents and teachers of the school. You will also be able to view the work your child has been doing in school up to this point. This is usually held earlier on in the Autumn term; you will be notified of the date of this event at the start of the academic year.

## Welcome Note from Head of Year 7

Dear Parent/Guardian,

My name is Fiona O'Donoghue and I am excited to be joining Eden Park High School after the Easter holidays, as Head of Year 7 and English Teacher. I would like to take this opportunity to welcome each student, as well as their family, to what I hope will be a successful, exciting, and memorable year here at Eden Park High.

I will ensure that each student is encouraged and supported in meeting all of their goals – and will keep you informed regarding their progress, behaviour and well-being. Through effective communication and encouragement, we can help each student grow and develop into responsible and successful young citizens in our community.

I look forward to an exciting and productive year ahead!

Kind regards,

*F. O'Donoghue*

Fiona O'Donoghue  
Head of Year 7

# Term times and start/finish times

Your child's first day at Eden Park High School will be Tuesday 1<sup>st</sup> September 2020 (A 2pm finish).

School will finish earlier on their first day to support them in their transition. From Wednesday 2nd September, the normal school day will run as:

Monday to Thursday – 8:15am to 4:45pm.

Friday – 8:15am to 3pm.

Year 7 Students will also have a slightly extended lunch during the first two weeks at school.

For more information on term dates please visit: [www.edenparkhigh.com](http://www.edenparkhigh.com)

## Student Leadership- The Bridge and Peer Mentoring

If your child would like a little additional support with their transition, or a drop in space where they may take some time out from the school day at break times and lunchtimes, they can visit S5 and find a variety of Student Leadership activities taking place. School Prefects will be on hand to answer questions and offer support as part of our programme 'The Bridge'. The Bridge is a peer led programme that aims to ease the transition between Year 6 to Year 7. Students may also use this space to hang out, play board games or read quietly. Peer Mentors will be made available during the academic year for one on one support- requests should go through Form Tutors and Heads of Year. Please be mindful that our Peer Mentors are themselves students and are learning and developing their skills in responsibility and commitment also.

If your son/daughter has any questions they would like to direct to one of our older students so they may share experiences from a younger perspective please feel free to drop Mr Shuttleworth (Student Leadership Coordinator) an email with such requests on [mshuttleworth@eph.e21c.co.uk](mailto:mshuttleworth@eph.e21c.co.uk)

## Key Pastoral Staff

- Mrs. K Moorey – Deputy Headteacher – Pastoral – [kmoorey@eph.e21c.co.uk](mailto:kmoorey@eph.e21c.co.uk)

- Ms. K Bayman – SENCO – [kbayman@eph.e21c.co.uk](mailto:kbayman@eph.e21c.co.uk)
- Mrs. T. Doyle – Office Manager/Safeguarding – [tdoyle@eph.e21c.co.uk](mailto:tdoyle@eph.e21c.co.uk)
- Ms. A. Peel – Attendance and Family Worker – [apeel@eph.e21c.co.uk](mailto:apeel@eph.e21c.co.uk)

## Travelling to and from school:

- Have several trial runs of the journey, building up their level of independence gradually. Initially with them but be encouraged to let them do it with a travel buddy.
- Arrange for them to travel with a friend and allow plenty of time.
- Keep emergency phone numbers in their bag, in case they lose their phone and need to contact you.
- Instruct them to be courteous on their travel to and from school to members of the public.
- For their safety, they must use designated pedestrian crossings when crossing the road and follow basic pedestrian code.
- Make sure you apply for your child's Zip - Oyster card in advance to make sure it is ready for them to use by the start of secondary school.

## Getting organised:

Organisation plays a vital role in the Primary to Secondary School transition with students expected to become more independent, taking responsibility for their own belongings and their time management. During the first half-term, support your child in developing a routine to help them organise themselves for each school day. Below are some useful tips to help build your child's organisational skills:

- Ensure they pack their bag the night before: don't be tempted to do it for them!
- Encourage them to check off what they need against their timetable.
- Teach them how to put a reminder in their phone for anything extra to remember.
- PE kits must be kept in the designated place or with them at all times.
- All pieces of clothing must be clearly labelled with your child's full name.
- Buy a sensible sized bag for your child to take to school. This must be black or of a dark colour.
- Once your child gets their timetable get them to make their own copy of it, using colour coding and put this up in their bedroom or the kitchen so they know what lessons they have for the next day.
- As the school works on a 2-week timetable, it is important that when your child is getting organised for the next day, they are aware of which week schedule they are in as this will dictate what they prepare for.
- Buy an alarm clock so that your child can get used to getting themselves up. It is important that they do not use their mobile phone or digital device as their alarm clock.
- Check regularly on Wise-Pay that your child has enough money for break and lunch. You will be receiving a guide on how to set up WisePay before school starts in August.

## Building confidence and making friends:

- Talk to them about ways to initiate conversation if they find this difficult.
- Remember friendships take time to develop; don't panic if they have not made a friend immediately or in the first few weeks.
- Encourage them to join clubs and become involved in school life. This can be a good way to make friends with students in other forms and year groups.
- Please contact your child's form tutor if you are still worried, they are struggling to settle in or make friends.
